

Differentiators

- **Proven federal & commercial cybersecurity leadership**
- Experience in turning **compliance** into **measurable operational gains**
- **Legal expertise** supporting compliance frameworks & regulatory interpretation
- **Expert guidance for secure, ROI-focused AI Adoption** with use cases & guardrails
- **Published AI security & governance research** - adversarial agentic testing to enterprise risk reduction

**DoD 8140/8570
IAM III Certified
Professionals**

**CMMC L1 with
LCCAs on staff**

Available for prime contracts,
subcontracting opportunities, &
teaming arrangements

NAICS Codes

541512 Computer Systems Design Services

541519 Other Computer Related Services

Services

AI Security Implementation

AI/ML system hardening, model guardrail configuration, shadow AI discovery, prompt injection controls, agentic workflow security architecture

Security Engineering & Operations

Vulnerability management, pen testing, endpoint protection, SIEM onboarding

541611 Administrative Management and General Management Consulting Services

541690 Other Scientific and Technical Consulting Services

AI Use Case Selection, Risk Management, & Governance

AI use case ROI analysis, NIST AI RMF-aligned risk assessment, data/IP exposure controls, AI policy development

Cyber Risk & Strategy

Increase maturity, NIST CSF, integrated risk reduction roadmap, risk register, incident planning

Embedded Cyber Leadership

Fractional/interim CISO, board/executive risk alignment, performance improvement

Compliance & Assurance

NIST, FedRAMP, CMMC, HIPAA, GovCloud, compliance alignment, ATO, audit evidence prep & facilitation, customer security reviews

SaaS Program & Product Security

Secure-by-design SDLC: threat modeling, SAST/DAST, SBOM, CI/CD hardening, multi-tenant controls

541715 Research and Development in the Physical, Engineering, and Life Sciences (except Nanotechnology and Biotechnology)

AI Agent Security Research

Adversarial agentic testing, AI supply chain integrity, attack chain analysis, security standards development.

611420 Computer Training

Training, Coaching, & Communications

611430 Professional and Management Development Training

Org-wide, role-based security training, business acumen for technical teams, coaching for cyber leaders
